This year we will be producing a multi-page brochure for the Christmas In Edgartown weekend. Instead of our single page brochure, we will have a full-color, half page booklet to provide islanders and visitors a full listing of events. We are excited to offer sponsors ads, and are also making ½ page ads available to other businesses and organizations.

Consider placing an ad to promote your CIE Event, thanking your customers for the year, wish the community happy holidays, highlight an end of year sale or promote your New Year’s Eve event. We will distribute 2000+ programs throughout the weekend.
